Health requirements for admission to the Master's degree study programme in Veterinary Medicine

Category		suitable
candidate with a visual impairment	a person whose disability prevents them from using their eyesight and who works with either tactile printed documents or screen readers (in combination with a tactile display or voice output) and therefore requires an editable text document format or a document adapted in terms of both content and form	NO
candidate with a hearing impairment	a person whose disability prevents them from using their hearing and who uses sign language for interpersonal communication	NO
candidate with a physical disability	upper limb disability	NO
	lower limb disability	NO
candidate		NO, if they have a disease, condition or defect listed in Annex No. 1 to Decree No. 271/2012 Coll.

A candidate who, in the opinion of the assessing physician, falls into even one of the above categories does not meet the health requirements for study in the Veterinary Medicine programme.
