MSP Veterinary Medicine

6th year of study

Block teaching of the 6th study year lasts 40 weeks in total.

Partial blocks have 5 weeks length, respect. 10weeks length.

Compulsory SREx: Infectious Diseases of Animals and Legislation/ Food Hygiene / Diseases of Dogs and Cats / Diseases of Ruminants and Swine

Elective SREx: Equine Diseases / Diseases of Birds, Reptiles and Small Mammals/ Diseases of Poultry and Farmed Rabbits / Thesis

Student has to take four compulsory partial blocks and accomplish them with the partial state rigorous exams (CSREx), furthermore, one or two partial blocks are elective and it is also finalized by partial state rigorous exam (ESREx). In total, each student completes 5 to 6 partial blocks/exams according to his/her choice.

Subject Code Department / Abbrev.	Subject Guarantor	PB/TS	11 th – 12 th SEMESTER block teaching, extent	SREx/ESREx	Credits
1240/VAICL	Infectious Diseases of Animals and Legislation Prof. MVDr. Dagmar Zendulková, CSc.	TS	5 weeks (150 hours)	SREx	7

1900/VADIP	Thesis*	TS	10 weeks (300 hours)	ESREx	14

SREx – compulsory Partial State Rigorous Exam; ESREx – elective Partial State Rigorous Exam

** It is possible to work on the Thesis beyond the scope of the elective clinical subjects. If a student chooses within ESREx a clinical subject (Equine Diseases; Diseases of Reptiles, Birds and Small Mammals; Diseases of Poultry and Farmed Rabbits), he or she can prepare Thesis in addition to this choice. If the student chooses as elective subject Thesis, it is understood as sufficient fulfillment of the ESREx. It is not possible to choose two clinical ESREx.*
